September	27	Mel Check

CLUB PROJECTS/EVENTS

Rails to Trail Project – Can you believe that it’s been a whole month since the club sponsored the Rails to Trails project? Thanks to those members who graciously gave up their Saturday to help out: Andy, JoEllen, Mike, Jamie and Gary. Jamie was also able to enlist the help of some young people who needed to complete some Community Service. Andy was kind enough to send me this photos -

The year-end meeting was held at Bradigan's conference room on June 28th. The student exchange student from Spain who was staying with the Krummert's was able to attend the meeting along with Herm's daughter Sarah. Many thanks to Andy for a successful year as outgoing President and good luck to Herm as incoming President. The Board members for the upcoming year are shown below:

The policy for making up missed meetings has changed. Rotary events or board meetings attended within two weeks of a regular weekly meeting can be used to make up the missed meeting. Another way you may find interesting is a visit to another club. Don't forget to turn in your Visitor's Card to me so that I can give you credit for attending. *Plus*, if you attend another club's meeting, you will not be charged for lunch at our meeting. Red make-up cards are available at the weekly meeting on the front table – pick up a couple to have on hand just in case.

The Rule of 85 is open to club members. If your age + the number of years that you've been a Rotary member totals 85 or greater, you can qualify for the Rule of 85. See me or Andy if you are interested in this status and what the benefits will be to you.

We would ask that all members participate on at least one committee. Due to the small size of our club, those who are able to serve on several committees would be highly appreciated.

Future programs for those of you who like to plan ahead –

October	4	Alexis Creel
October	11	Bill Crytzer
October	18	Mike Daugherty
October	25	Ed Dunmire

If you have any information or photos you would like to share in the Rota Rooter, please forward them to me –

Alexis
